

CONDITIONS OF ENTRY

1. Registrations **will not be accepted after briefing** is finalised.
2. Registrations must be presented at the claiming of prizes and for admittance to the presentation evening.
3. All fish must be **legal size** as specified by Fisheries.
4. All fish must be caught within **the specified area of fifty (50) nautical miles radius of Carnarvon.**
5. The Carnarvon Sea Rescue Club (Inc.) will co-ordinate a radio communication service. **27 Megahertz Channel 88** and **VHF Radio Channel 16 & HF 4125** are for calling in only (that means NO GOSSIP). Skippers are requested to log out (I.e. number of persons, range, type of vessel, ETA etc) and log in.
6. **This event is for amateur-fisher-persons only.** This means that no person holding a professional fishing license may fish in this competition and fish caught from a professional fishing boat will not be accepted.
7. **Frozen fish not acceptable.**
8. **All fish to be weighed in gutted, gilled, in good edible condition and must be easily identified.** *Any dispute over the acceptability will be arbitrated by a committee. *Internal temperature must be below 10°C.
9. Boats & equipment may be checked by the Department of Transport. **Boats found to be deficient in safety requirements may render an entrant ineligible for prizes.**
10. Should any categories not be caught, prizes will be allocated at officials discretion.
11. Adult entry fee is \$60. Entry fee for juniors 16 years and under is \$20. Non participating partners attending the Presentation Night on Sunday evening is \$20, to be purchased at lodgment of the entry form (no door sales available).
12. **No Pink Snapper due to proposed Pink Snapper regulations.**
13. Any vessel caught **disobeying regulations** within the snapper closure area by Fisheries will be **disqualified** from the competition. This applies to ALL on board and ALL fish weighed in.
14. Fish to be caught are in the following categories whether caught from boat, jetty or beach (netting and spearfishing prohibited):

TOURNAMENT CATEGORIES

Heaviest Baldchin Groper (*Choerodon rubescens*)
Heaviest Spanish Mackerel (Narrow & Broadbarred)
